WHY KABUKI?

Kabuki is a traditional form of Japanese theatre which involves elaborate costumes, wigs and eye-catching make-up.

Actors use dance, mime and highly stylised movements to express emotions, accompanied by a rich blend of music and spectacular staging. The elements of Kabuki can be experienced through out the boat with a head-turning exterior and decorative interior design that captures the essence of traditional Japanese aesthetic.

Inspired by Japanese culture
Owners of this sailing yacht took
New Dufour 56 Exclusive (2020) even
further based on the theme of KABUKI.
