MARINA PLAN

MARINA LOCATION

The Kremik Marina is located in a picturesque bay surrounded by hundred year old vineyards that produce the famous Babić wine. Located south of Šibenik, and set snugly into the land, this marina is certainly one of the most by nature protected marinas in the whole Adriatic coast and offers sailors and motorboat owners security and protection during their summer holidays. Marina Kremik is directly connected with Dalmatian coast road. Split Airport is only 30 km and connection to highway only 32 km away from marina. If you come with your car take highway exit for city of Šibenik and proceed to Primošten.

MARINA AMMENITIES

The marina has 393 berths (moorings and finger moorings) in the sea and 150 on dry land, each one of which is supplied with water and 220 V/380 V electricity. Sanitary facilities are open 24 hours. The marina is well lit and secured. Of its facilities we might mention the reception, restaurant, market, nautic shop, technical service with a complex workshop, and a petrol pump and taxi service, if you need it. All lovers of the sea will certainly find the Kremik marina one of their favorite ports.
